

Bridgetown Annual Apprenticeship Plan

Apprenticeship Plan

As part of the Apprenticeship Plan, work through the following questions on your own:

1. Christlikeness, True Self

Do I have a vision of myself in the future? Who do I see myself becoming as I become more like Jesus?

2. Be With Jesus, Become Like Jesus, Do What Jesus Did

Are these three goals my top priorities? What is the evidence that these are my priorities? If not, what is?

3. Life in Community

Who is my community? How do we go deeper this year?

4. Passive Spirituality, Active Spirituality

What are the invitations of God in this season of my life? Where is God trying to get my attention? What is outside my control but a potential portal for growth? What do I need to stop fighting and accept?

What are specific sins, wounds, and habits that the Spirit is leading me to fight in the year ahead? What am I actively doing to fight them?

5. Teaching

What steps can I take to fill my heart and mind with truth in the year ahead? (Podcast, reading list, Bible Project, etc.)

6. Practicing The Way

What Practices make up my rule of life? What practices do I want to add in, subtract, edit, or re-envision?

Conversation Guide

4. Passive Spirituality, Active Spirituality

What specific areas of Passive or Active Spirituality do you sense the Spirit inviting you to focus on this year?

5. Teaching

What steps do you hope to take to fill your mind with truth in the year ahead?

6. Practicing The Way

In the year ahead, which specific Practices from the way of Jesus do you hope to add-in, subtract, or re-envision?

7. Community Support

Then, in same-gender groups, answer the following question and pray for one another: How can we support you, encourage you, and keep you accountable as you strive to follow Jesus in the year ahead?
